Depressing car ride

... Yeah, I just remembered how Arisa has been really secretive about something lately.
Now it's rare for you to sigh like that, Mari-san.
Oh
Sigh...
Don't you have someone you like, Maeda?

I wonder
Secretive——? It's Arisa-san, you know— I think you're just over-thinking.
The one I like is you!! Mari-san!!
So do you never worry about it ?

Well, I do...
You also have it rough, Maeda..
Sigh..
My chances are zero..
But she already has a lover-...

Summary

Arisa lost few years of her memory due to amnesia. Mari who wes in a relationship with her was quite shocked as it happened all of a sudden but the one in question wasn't really concerned at all about her amnesia. Trying to make up for the lost memories, the everyday life of these "once-again-new lovers" make up for a fresh and exciting story. This is an earnest and a cheerful Amnesia Comedy!
